New page to view all successful CCTV monitoring happening in our community.

[Read more](#)

On 23 July, the JOC CCTV Operators actively participated in a comprehensive Fire Marshal Training session conducted by an experienced training officer and professional firefighter Mr Botha. The session was designed to enhance our knowledge and preparedness in fire safety and emergency response procedures.

Pleased to announce that the Emergency Medical Services (EMS) students have begun their clinical rotation at the Joint Operation Centre to learn and assist.

JOC Welcomes two new CCTV operators

SUCCESS SNIPPETS

SKIP FIRE CONTAINED IN KWANONQABA

During routine CCTV monitoring, operators detected a skip fire on Ndibaniso Street, Kwanonqaba. The incident was promptly reported and handed over to the Fire Department. Firefighters responded swiftly and successfully extinguished the blaze.

SWIFT RESPONSE TO COMMUNITY SAFETY CONCERN

A complaint was received via WhatsApp from the Da Nova Neighbourhood Watch regarding an electrical cable hanging in Diaz Street, Da Nova. The matter was promptly handed over to the Call Centre, where electricians were dispatched to attend to the issue.

SUCCESSFUL RESPONSE TO REPORTED SUSPICIOUS ACTIVITY

A complaint was received via radio from CID Security regarding a group of seven men sitting in front of the More and More store in Marsh Street, allegedly smoking a substance. SAPS assistance was immediately requested, and the matter was handed over to SAPS. Upon arrival, SAPS conducted a patrol of the area, however, no individuals matching the description were found.

CCTV MONITORING: 2X SUSPICIOUS MEN WALKING THROUGH PASSAGE

While monitoring CCTV footage at MJ Harris Street, two suspicious men were observed walking through a passage. The incident was promptly reported and handed over to SAPS for further investigation. According to SAPS officers, the men had been stopped and searched earlier, with nothing suspicious found at that time. However, minutes later, they were spotted on camera running back through the passage in the opposite direction. SAPS conducted another patrol in the area, but the individuals could not be located.

VAGRANT REMOVED FROM MARSH & BEACH AREA

At Marsh & Beach, a vagrant causing a nuisance and bothering members of the public was swiftly dealt with following a complaint. Charlie-3 promptly attended to the matter and ensured the individual was handed over to CID Security. The vagrant was then escorted out of the area, restoring peace and safety for the community.

ILLEGAL STRUCTURE BEING BUILT ON MAYIXHALE STREET- SUCCESSFUL INTERVENTION

During a routine patrol on Mayixhale Street, reports were received about an illegal structure being erected. The matter was promptly handed over to law enforcement for investigation. Officers attended the scene and upon inspection, discovered that the construction was not a new illegal build but merely an extension of an existing structure.

OPEN FIRE INVOLVING POSSIBLE BURNING OF COPPER CABLES AT KWANONGABA SCRAP YARD

During routine monitoring at the KwaNonqaba scrap yard, located next to Burger & Seun, an open fire was spotted which was suspected to involve the burning of copper cables. Upon discovery, immediate action was taken by reporting and handing over the situation to law enforcement authorities. Feedback received confirmed that the individuals involved extinguished the fire after completing their activity and subsequently left the area.

THICK SMOKE SPOTTED BETWEEN HORSE STALLER & TRANSFER STATION

Thick smoke was observed between the Horse Staller and the Transfer Station, prompting immediate action. The situation was quickly reported and handed over to the Fire Department for professional handling.

CCTV MONITORING PREVENTS MISUNDERSTANDING OF ILLEGAL STRUCTURE AT ELANGENI, KWANONQABA

During routine CCTV monitoring at Elangeni, KwaNonqaba, operators observed what appeared to be an illegal structure being built. Acting promptly, the footage and report were handed over to Law Enforcement for further investigation. Upon inspection, officers confirmed that the structure was not new construction but rather a replacement of the roof on an existing building.

PROMPT RESPONSE TO FIREARM COMPLAINT AT PIETS PUB

A complaint was received via radio reporting two males carrying firearms inside Piets Pub on Marsh Street. Immediate action was taken as the situation was handed over to SAPS for further handling. Upon arrival, SAPS members conducted a thorough search but found no individuals matching the description, as they had already left the premises. Feedback from the SAPS member emphasized that, according to the owner's policies, firearms must not be visible and must always remain holstered inside the establishment.

CCTV MONITORING DURING OPEN FIRE INCIDENT ON OESTER STREET

During a recent open fire incident on Oester Street, our CCTV monitoring team quickly identified the situation and took immediate action. Through clear communication and prompt instructions, people at the scene were directed to extinguish the fire, and they complied without hesitation.

SUCCESSFUL INTERVENTION FOLLOWING VEHICLE PARKED FACING ONCOMING TRAFFIC IN RIVERSDALE N2

A complaint received via WhatsApp about a vehicle parked facing oncoming traffic along the Riversdale N2 was promptly addressed. The issue was handed over to Mossel Bay SAPS, who confirmed that a formal case needed to be opened. Upon investigation, it was discovered that the vehicle belonged to an elderly male suffering from dementia. SAPS reported that a contact person was actively trying to reach his family. Meanwhile, his sister-in-law and her son were on their way from Still Bay to assist and fetch him safely.

CCTV MONITORING PREVENTS PUBLIC DRINKING AT CBD TAXI RANK ABLUTION

During routine CCTV monitoring at the CBD Taxi Rank ablution area, operators observed a group of individuals drinking alcohol at the back of the toilets. Acting promptly on this complaint, the footage was handed over to CID Security for immediate intervention. Upon arrival, security personnel found the individual's consuming alcohol in public as captured on the CCTV footage. They were instructed to cease drinking in the public space, and they complied without incident.

SUCCESSFUL INTERVENTION OF DISTURBANCE IN CBD AREA

A complaint was received via radio reporting two very drunk individuals causing a nuisance in a public area near Bland Street, next to Love Market. The complainant, CID-Security, alerted the monitoring team about the situation. Upon receiving the report, security personnel promptly responded to the scene and found the individuals behaving disruptively. The team acted quickly and professionally by handing the two intoxicated persons over to the South African Police Service (SAPS) for further action. The complaint was fully attended to, and the individuals were successfully removed from the (CBD) area, restoring peace and safety for the public.

ACCIDENT AT BILL JEFF & GRUNTER

During an incident monitored via CCTV at the intersection of Bill Jeff and Grunter, operators quickly identified a side swipe collision involving two vehicles traveling in different directions. Immediate action was taken by handing the footage and incident details over to SAPS and Law Enforcement for further investigation. The monitoring team confirmed that all emergency vehicles arrived promptly on the scene and no injuries were reported. Notably, the driver of Vehicle B was found to be under the influence of alcohol and was subsequently arrested.

VAGRANTS REMOVED FROM MARSH & CUFF AREA

During routine CCTV monitoring at the Marsh & Cuff location, operators observed a group of vagrants playing dice in front of Brink & Bruin Optometrists. Recognizing that this activity was causing disturbance to the business and pedestrians, the monitoring team promptly alerted CID-Security. The security personnel responded swiftly to the complaint and successfully removed the individuals from the area, restoring order and ensuring a safer environment for the community and local businesses.
